Dustin,

Pentagon Technologies Group, Inc. is pleased to provide this quotation for part cleaning services in response to your most recent request.

Scope:

1) Leadtime

- In-house turn time for first time parts and first article parts, including new revisions, may take up to 7 business days. In-house turn time thereafter is 5 business days.
- Quoted turn times are subject to forecasted lot size and, if applicable, receipt of a monthly volume forecast. An unexpected increase in lot size or overall volume may increase turn time.
- Turn time begins when outstanding issues are resolved.

2) Processing

- Parts herein will be cleaned and packaged as stated in the individual line items below.
- No testing of any kind is included in the quotation.
- Quoted price does not include wrapping of part using foam wraps and/or packaging into foam-lined cleanroom-compatible corrugated box with double-bag. If this is required, a revised quote is needed.

3) Inspection

- All parts will receive standard inspection for cleanliness.
- No dimensional inspection is included in the quotation.
- Deviations from print notes or process specifications will require a waiver.

4) Shipping

- FOB Origin for all US-based orders.
- EXW for all International-based orders.

5) Terms and Conditions

- **A minimum lot charge of \$315 is required for orders including AMAT specification 0251-02264.**
- For minimum lot/order charge, expedite fees, and other terms, see our Standard Terms and Conditions on the last page of this quotation.
- TIR (Test and Inspection Report) requests per AMAT Cleaning Specification and Packaging Specification (0250-00098): Price \$185.00 per report. TIR requests will not affect the Leadtime.
- Unless otherwise stated, all work is subject to Pentagon Technologies Standard Terms and Conditions.

Thank you for the opportunity to provide this quotation. If you have any questions, please feel free to call me.

Sincerely,
Aaron Hill

TERMS AND CONDITIONS OF SERVICES

Unless otherwise stated within the quotation or a prior written agreement exists, all services will be performed subject to the following terms and conditions. Pentagon Technologies terms will override those on received purchase orders.

1. A properly authorized purchase order must be submitted to Pentagon Technologies. Any changes to the original purchase order must be authorized by a revised purchase order or change order and must be submitted to Pentagon Technologies. If a purchase order or revision to a purchase order is not received, or is received incomplete, service or shipment may be delayed.
2. All items received by Pentagon Technologies must be accompanied by a shipping document containing the following information:
 - Name and address where items are to be returned.
 - Shipping instructions as to how the items are to be returned.
 - Name and address where the related invoice is to be mailed.
 - Purchase Order number for the services to be performed.
 - Quantity and description of each item received.

If the shipping document is not received or is received incomplete, service may be delayed.
3. All items returned by Pentagon Technologies will be accompanied by a Shipping Order.
4. Unless a prior written agreement exists, payment terms are Net-30 days. Invoices are to be paid within 30 days of the date of the invoice. Invoices over 60 days old will be subject to a monthly finance charge of 1.5%. If any invoices are unpaid after 60 days, the customer account may be placed on credit hold. While an account is on credit hold, services will be suspended until past due invoices are paid. Accounts repeatedly on credit hold may be converted to (C.O.D.) terms. The customer agrees to pay the full amount of any costs or expenses, including collection and/or attorney fees incurred by Pentagon Technologies in the collection of overdue amounts by litigation or otherwise.
5. Due to the complexity and variations inherent in chemical/mechanical cleaning, the following limitations shall apply to Pentagon Technologies' services.
 - Under no conditions will our liability exceed three (3) times our charges.
 - Liability is assumed only if material is correctly installed and properly maintained.
 - Customer provided hardware will be installed per manufacturer instructions.
 - Standard liability as stated above will apply to hardware installed by Pentagon. Pentagon will use all reasonable care, but under no circumstances will Pentagon accept additional liability for part damage related to installation. This includes any issues with the part itself, the hardware, or the procedure used.
 - Any rework labor is to be performed by Pentagon Technologies unless otherwise authorized in writing by Pentagon Technologies.
 - A Return Material Authorization must be obtained from Pentagon Technologies before any items can be returned for rework.
6. The following additional fees will apply to all purchase orders received. Purchase orders that require revision must be revised prior to the start of service.
 - A minimum lot charge of \$145 will apply to any shipment which totals less than this amount. This will apply to individual Purchase Orders or individual line items where a portion of the Purchase Order is shipped separately.
 - Quoted turn times are subject to forecasted lot size and, if applicable, receipt of a monthly volume forecast. An unexpected increase in lot size or overall volume may increase turn time.
 - One to Three (24-72 hours) business day expedite service will be invoiced at two times quoted price.
 - Other expedite requests prior to POR turn around time will be invoiced at one point five times quoted price.
 - Additional charges may be applied for expedites that require work outside of a normal business week or on observed holidays.
 - Expedite requests will be honored if capacity exists and the process allows. Pentagon reserves the right to refuse expedites or apply applicable fees to complete the service requested.
 - Delivery of expedite orders following a commitment by Pentagon cannot be changed or extended.
 - Cut-off times are site-specific.
 - A \$75 fee may apply to all customers that request Drop Shipment of parts to a 3rd party facility using Pentagon truck. This request should be clearly stated in incoming purchase orders and the fee added in a separate line item. Pentagon has an established delivery schedules to select customer facilities. Please contact your Pentagon customer service representative to determine if we do regular pickup/delivery to a certain facility and what the established schedules are. The drop ship fee will only apply to the following:
 - Drop shipment of parts to a 3rd party facility using Pentagon truck that is outside of Pentagon's delivery locations.
 - Drop shipment of parts to a 3rd party facility outside Pentagon's established delivery schedule.
 - Split drop shipment to multiple locations.
7. Unless otherwise stated, all quotes will remain in effect for sixty (60) days from quotation date.
